

DunnCox Supports Haiti

Ms. Joanne Wood, Partner in our firm making a presentation to members of the Rotary Club at their weekly luncheon held recently at the Jamaica Pegasus Hotel.

In keeping with our firm's commitment to lend its support to meaningful projects and activities undertaken by organizations and service clubs, the Partners, Associates and staff made a donation to the Rotary Club of St. Andrew's Haiti Relief Effort. The donation was made to the club by Partner, Joanne Wood at its weekly meeting held on January 26, 2010.

The Rotary Club is in a good position to help in Haiti, with 33 projects already underway to provide water, sanitation, medical care and education to the millions affected by Haiti's devastating earthquake, which has left thousands dead and millions homeless.

Mr. Anthony Griffiths, President of the Rotary Club of St. Andrew presents a citation to Ms. Wood in appreciation of the firm's collective effort in support of the Haiti Relief Effort.
